

SPEAKER: Is there any further discussion? Are you ready for the question? Senator Kelly, someone has asked what is the amendment. Would you briefly explain that again?

SENATOR KELLY: The amendment brings in to LB 449 the statutes numbers for the initiative petition procedures for the city manager form of governments and the commission form of government. As the bill is written, it includes the statutes numbers for the cities and villages and towns of Nebraska but there are different numbers that must be included in the bill if we want cities such as Alliance and Grand Island, Scottsbluff to have initiative petition in this matter.

SPEAKER: Senator Stahmer.

SENATOR STAHMER: I'd like to switch from no to aye on that motion.

SPEAKER: Is there any further discussion? Are you ready for the question? The question is the adoption of the Kelly amendment. If you are for the adoption, vote aye. If you are opposed, vote no. The clerk will record.

CLERK: 26 ayes, 0 nays, 23 not voting on the motion to adopt.

SPEAKER: Motion is adopted. Now, Senator Kelly, what will you do with the bill?

SENATOR KELLY: I move it be advanced to E & R engrossing.

SPEAKER: You've heard the motion. Any discussion? All those in favor of advancing the bill to E & R for engrossment, say aye. Opposed no. The bill is advanced. Now, Mr. Clerk, what do you have on your desk?

CLERK: We are ready for Select File.

SPEAKER: Now we are ready for Select File. Is Senator Cavanaugh here?

SENATOR CAVANAUGH: Would you give me the page, Mr. Clerk?

CLERK: Well, part of them will be found on Page 1397. The first one that comes up will be LB 345 and there are Committee amendments. This was found from the proceedings day's Journal. The bill was laid over with no action being taken on the amendments.

SENATOR CAVANAUGH: OK. Mr. President, I move the adoption of the E & R amendments to LB 345.

SPEAKER: It has been moved that the amendments be adopted. Is there any discussion? If not, all those in favor of adopting the Committee amendments, say aye. Those opposed no. The amendments are adopted.

SENATOR CAVANAUGH: Mr. President, I move LB 345 as amended be advanced to E & R for engrossing.

SPEAKER: Any discussion. If not, all those in favor of advancing the bill as amended say aye. Those opposed no. The bill is advanced.

CLERK: All right. The next one, Mr. President, is LB 311. The E & R amendments were adopted on the bill. An amendment offered by Senator Carpenter was adopted, and then the bill was laid over.

SPEAKER: Senator Carpenter. Senator Carpenter has moved that the bill be bracketed. Are you asking unanimous consent for that Senator? Any objections to bracketing LB 311? If not, so ordered.
